## BELGIAN INTERACTIVE WORKSHOP

# The Role of Education and Youth Work in Promoting Civic Engagement Against Organised Crime and Corruption

*As part of the EU Youth in Power project, BASTA! Belgian Antimafia: Steps Towards Awareness! hosts a workshop to deepen the day's reflections and offer practical strategies for professionals from youth work, education, and prevention services working on youth recruitment. In an interactive format, participants will explore how education and youth work can strengthen civic engagement, build democratic resilience, and reduce young people's vulnerability to recruitment into organised crime or corruption.*
